History

JNJ Solutions Ltd is a 12 year old company, with a reputation for diligence and having the best interests of our clients foremost in our thoughts.

Accreditations

The company is accredited by trading standards No. 69.1

Our accreditations are:

Class II to 10Kg

Class III to 3 tonnes

Class Y(a) and Y(b) (auto wrapping and conveyor weighing machines)

Service proposal

JNJ Solutions Ltd will attend to the routine maintenance of all scales that are the property of our clients at the agreed time and frequency including all trade certifications required.

JNJ Solutions will at all times be mindful of our clients requirements, Health and safety requirements and security requirements where it affects the contract and job at hand.

JNJ Solutions Ltd prioritises break down and callout requirements of all our clients, understanding that continual production is paramount to our clients.

Repairs

Apart from labour and non-proprietary parts and components.

JNJ Solutions, in its 12 years of operation, has never had problems with obtaining parts/ components for scales we have serviced/repared. Provided they are still in production.

Sales

JNJ Solutions Ltd is a registered importer of scales but also has a good relationship with many other registered importers of scales and weighing equipment.
